

The chart displays a sequence of 1000 random numbers. The x-axis is labeled 'Index' and ranges from 1 to 1000. The y-axis is labeled 'Value' and ranges from 0 to 1000. The bars are colored in a gradient: brown for the first 250 numbers, orange for the next 250, green for the next 250, and blue for the last 250. The values generally increase from left to right, with a significant peak in the blue section.
